

**Sponsorship Prospectus for the
2017 Princess Macy Golf Tournament
June 10,2017**

Proceeds Benefit Macy Easom Cancer Research Foundation

About Macy:

Macy Michelle Easom, daughter of Dr. Jeff and Angel Easom, was just five years old when she lost her life to a rare form of liver cancer known as hepatoblastoma. With very little information or research available regarding this horrible disease, The Macy Easom Cancer Research Foundation was created. Our goal is to honor Macy by raising awareness and funds to combat hepatoblastoma and other childhood cancers and ultimately to find a cure. Macy will never be forgotten and is loved by her family more and more each day. One child losing this battle is one too many; and that is why we ask you to partner with us as a Sponsor for our tournament. For more information visit www.PrincessMacy.org.
